

famileo

*** Famileo is FREE to Allerton House families!**

*Every Allerton House resident has their own Famileo account and family code.

*By sharing the resident's family code, the whole family can publish their messages, anecdotes, old family photos, new family photos, and happy memories.

*Each family member can share messages and photos from their day-to-day with just a few clicks.

***Your loved one receives a printed paper gazette!**

*All the messages are automatically formatted and printed out in the form of a personalized Gazette which is hand delivered to residents whose families participate each Monday afternoon.

*Family members who download the Famileo App and register their family code will also have access to exclusive Allerton House content including private photo messages and access to the Allerton House family wall.

*Also exclusive to Famileo families, is our weekly newsletter with photos from the week's activities, upcoming highlighted events and resident birthdays which will be available with new content each week.

*Allerton House at Central Park
Calendar of Events
